Dedication

To Mr. J. Byron Durham, with sincere best wishes and congratulations, we dedicate this 1950 Talisman.

As adviser of the Student Council, Mr. Durham has become a well-known figure in Woodruff's halls. His excellent guidance of our student governing body has been graphically shown in the high caliber of the dances, assemblies, and other events sponsored by the Student Council during the last year. As for his prowess in our woodworking shop, one need only glance around the shop for evidence that his students have learned their lessons well.

Mr. Durham's kindly cooperation with the Talisman Staff throughout the year has been greatly appreciated.

Mr. Durham's many years of teaching, some highlights of which are pictured here, are exemplary of the theme of the 1950 Talisman. These pictures, secretly obtained from the Durham's own memory book, are to serve as a prologue to the memories of the past school year as depicted in the following pages.

Remember.....

..... the first day of school.

..... those nice, big, roomy lockers.

. that gooey make-up so necessary to the success of a play.

. the flag-raising ceremony at the basketball games.

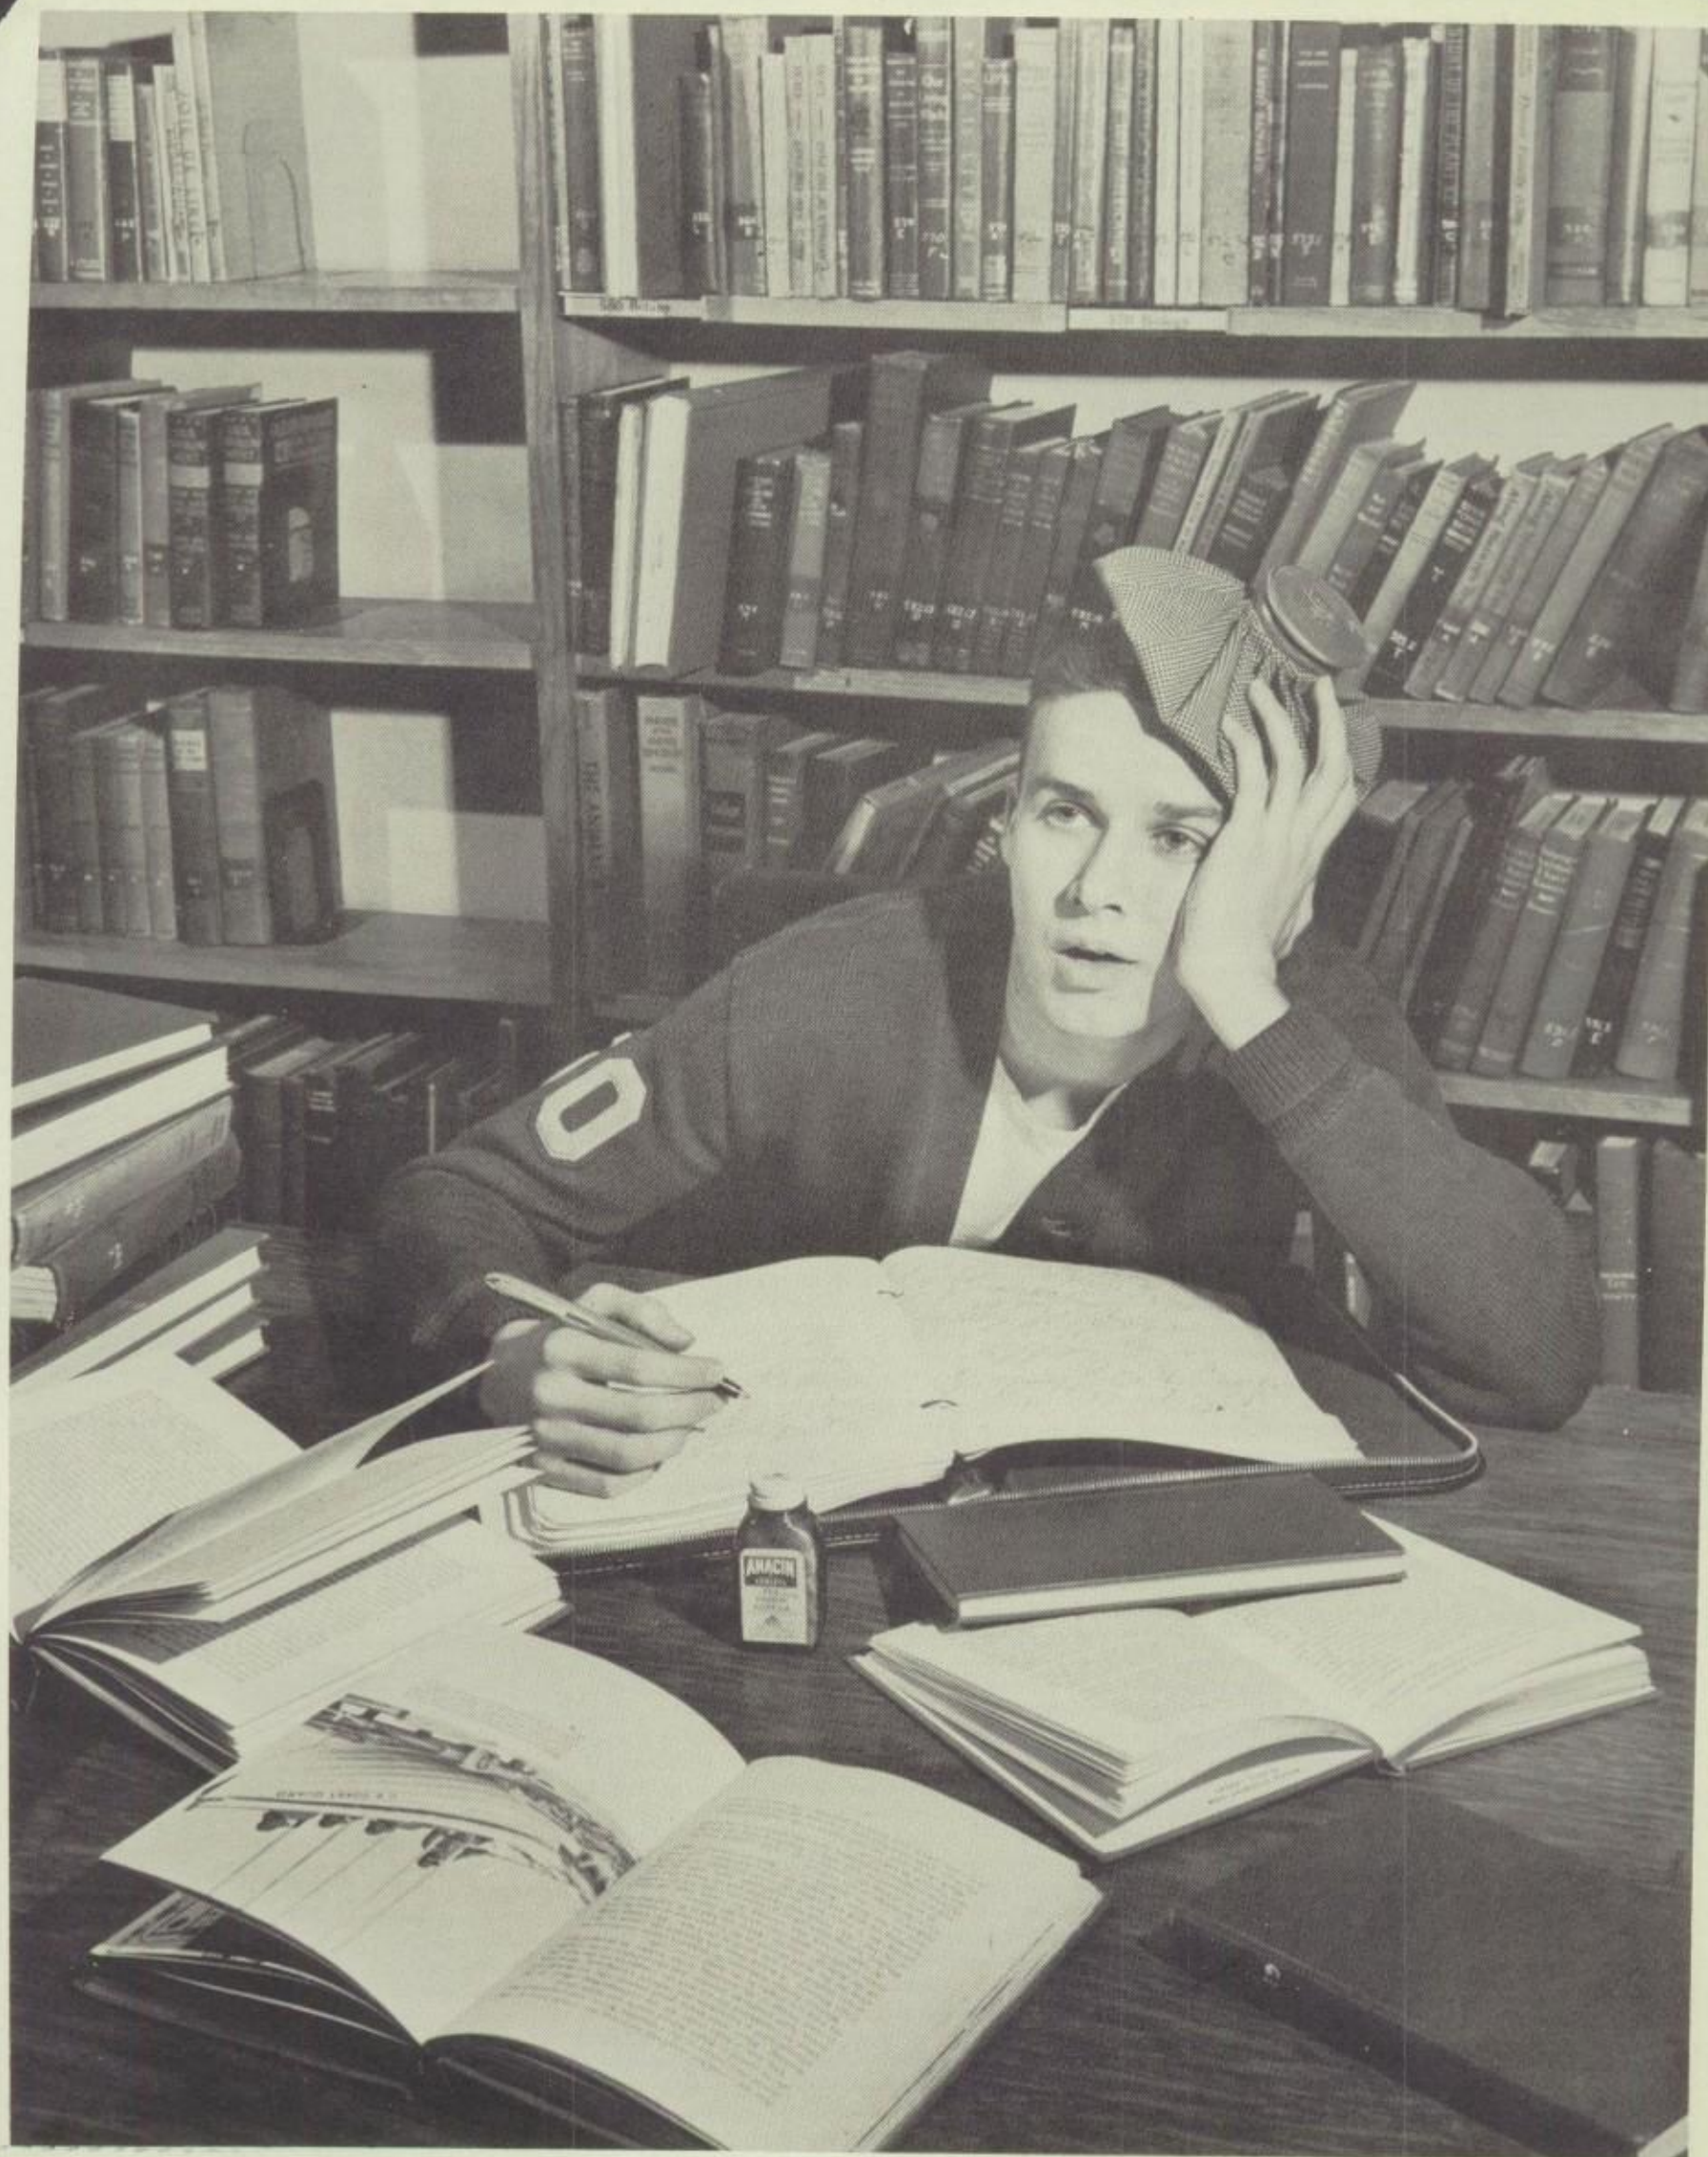

. the glowing tree in the hall at Christmas time.

. those lively cheers led by our high-jumping gymnasts.

..... the last big snow.

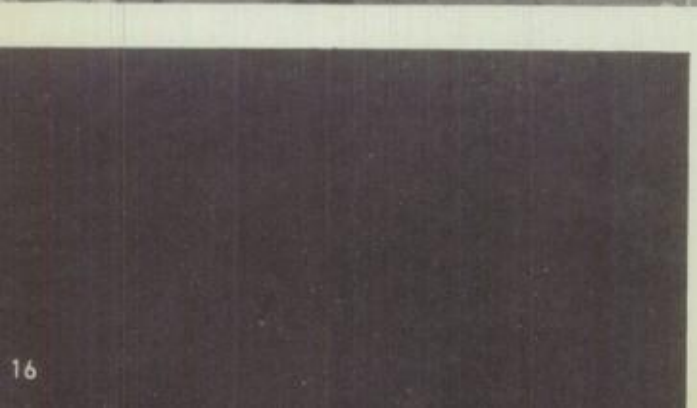

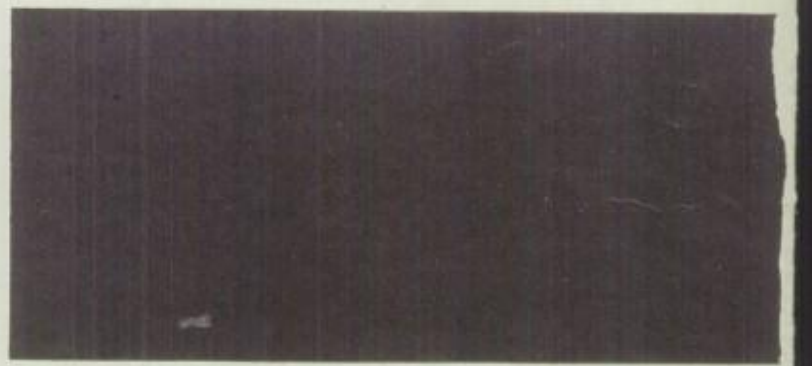

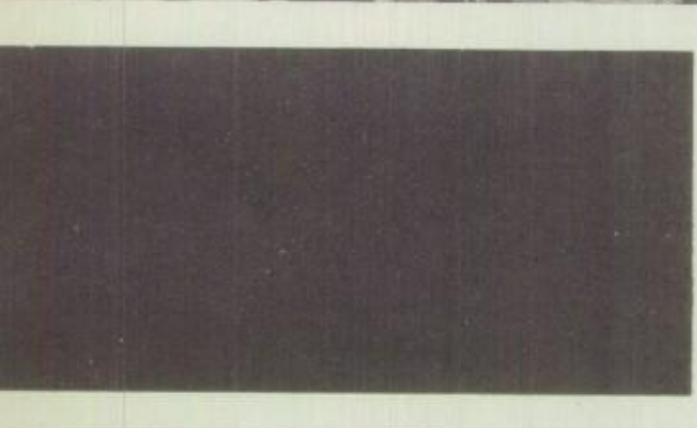

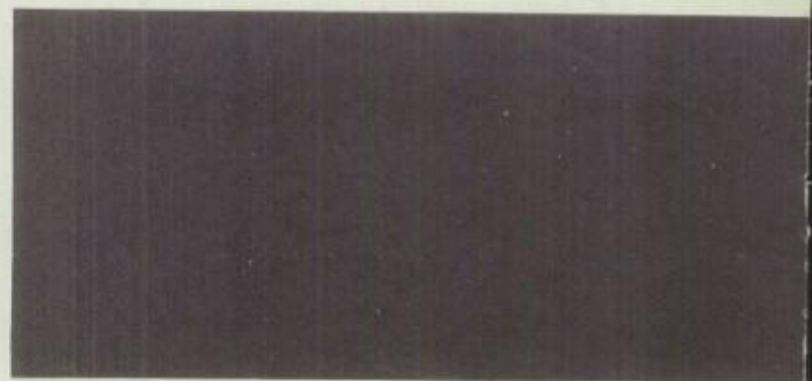

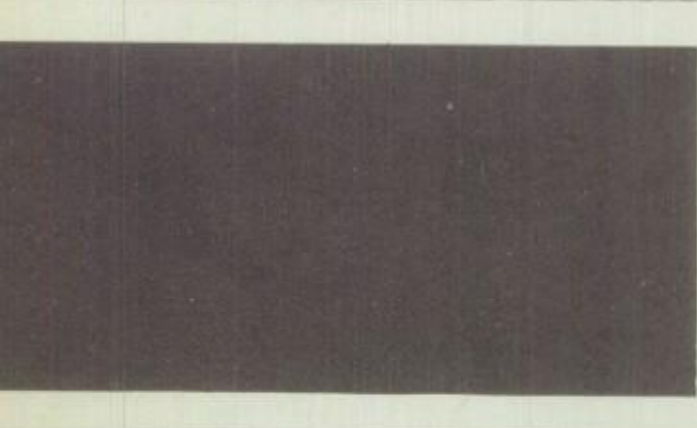

..... term papers (how could we forget).

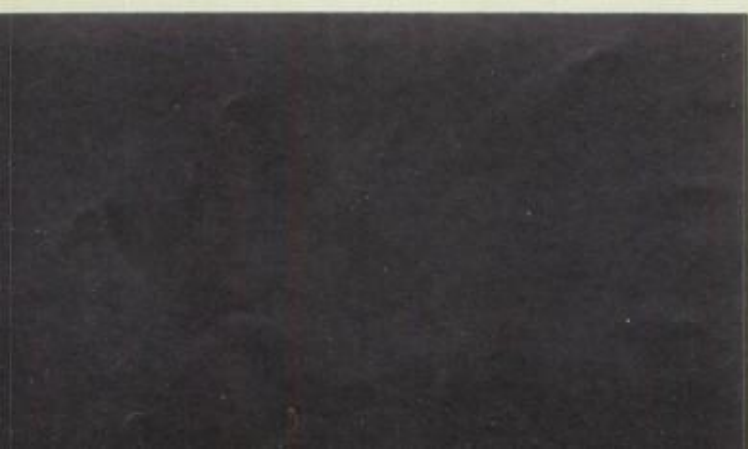

... when the long-awaited Talismans finally came out.

Pow-Wow

Junior Class-second place

Sophomore Class-third place

Freshman Class-fourth place

Don Rager and
 Becky Munro
 reigned as
 Chief and Princess
 over the 1949
 Pow Wow.

Pow Wow

Senior Class—first place

Bob McFall, Joann King, Barbara Johnson, Donna Espinoza, Bobbie Wolfson, Glen, Burmeister.

Brother and sister in the Grayson family were usually quarreling while their friends and other members of the family looked on.

Senior Class Play

Come Rain or Shine

Jim Backes, Gloria Williams, Marilee Streibich, Nona Craycraft, Dennis Jenkins, Frances Carr, Martha Burnham, Bob Glass, Margie Wilkinson.

A Life photographer came to an amateur play and was busy snapping pictures of the various characters in action.

The Phantom Gentleman

Standing: Jerry Huston, Eileen Johnson, Marjorie Macklin, Mary Ruhaak.

On floor: Bob Petzing.

An intruder (Bob Petzing) and his accomplice (Mary Ruhaak) in the home of Mrs. Hurlington (Marjorie Macklin) are captured by the son of the house (Jerry Huston) while his mother and sister (Eileen Johnson) look on.

Submerged

Standing: Ed Carpenter, Bill Linsley, Bill Kritzmire, Jim Backes, Gene Stevens.

In Chair: Russell York.

*Red is the Redish,
Green is the pea.
Hope you get rid
by '53
Russell York*

This is an intense psychological drama of how six men, who were trapped in a steel submarine, came face to face with death. One of the members suggests that they draw cards to see who will be the 'doomed' man. the person who draws the high card is then too much of a coward to go through with it. Another crew member takes his place. The climax is reached when the coward, locked in a separate compartment, is engulfed by water as the walls of the submarine collapse under the terrific pressure.

Fixers, Inc.

Standing: Jim Hewitt, Barbara Jurim, Bill Burns, Alice King.

In Chair: Bill Costellia.

In this play, Mrs. Thorpe (Barbara Jurim) intends to keep up with a neighbor by sending her husband, Ogie (Bill Costellia) to a psychiatrist. When 'Fixers Inc.' tells Ogie a few facts of life, such as, the man is 'boss' in the family, the story changes. Ogie's ego becomes inflated when he knocks out Hank, (Jim Hewitt), Vice-President of 'Fixers Inc.' in a 'put up' fight. The next time we see Mr. and Mrs. Thorpe together, the pattern is completely reversed and it is quite obvious who now 'wears the pants.'

To promote good sportsmanship and to stimulate interest in physical activity are two of the main objectives of the G.A.A. Our activities for the year include speedball, soccer, hockey, archery, volleyball, aerial darts, basketball, tennis, outings, parties, playdays, stunts, and tumbling. This is the third year our organization has been able to send two representatives to a G.A.A. Leadership Camp. Last but not least our big all day trip closes an eventful year of activities.

Varsity Football

The Woodruff football squad, made up largely of juniors, suffered an unsuccessful season this year having two wins, six losses and one tie.

The team, although losing their first two games, was showing real promise when Don Rager, star fullback, suffered a broken leg and was unable to play the rest of the season. Irv Sellers, quarterback, then moved into the fullback slot, and Walt Durdle took over the quarterback chores.

After holding a heavier Central team to a 6-6 tie, the Warriors dropped one to Canton, 25-7, but bounced back with a victory over Lincoln, 19-14. They lost their next two games to Manual, 47-19 and East Peoria, 13-0, but they scored more points against Manual, the Greater Peoria champs, than any other team did all season. The Warriors then pulled a surprising upset by trimming a heavily favored Pekin eleven 13-7. They finished the season by dropping a close Thanksgiving-day game to Spalding, 18-14.

Most valuable player awards went to Buck Lynch on the line, and Don Rager, backfield. Other Warrior standouts were: Ken Hamilton; center, Len Fosco; end, and Jim Kats; end, on the line, Irv Sellers; fullback, Walt Durdle; quarterback, and Jack Randolph; halfback, in the backfield.

Cross Country

Best of luck to you John. You really are a hard worker in track.

Woodruff's thin clads under the leadership of Coach Gummerson and running on a new home course, the Peoria Country Club completed a very successful season. The team was unbeaten in dual competition with wins over Washburn, Galesburg, Canton, and Pekin, also winning a triangular meet against Champaign and Lincoln.

In the bigger meets the boys showed their strength by winning the Geneseo Invitational meet at Geneseo, the Illini Conference, and the district meets held in Peoria. In the Illini Conference meet the team had the low score of 18 points which is excellent as the lowest number of points a team can get is 15.

With the win in the district the team was entitled to participate in the state meet at Champaign. The thinlies finished in fourth place in this meet which was won by Paris. This fourth place marks the farthest any Woodruff Cross Country team has gone in state competition.

Outstanding boys on the team were Bob Wagler, a junior, and Marvin Neaveille, Don Martens, and Chuck Johnson, seniors.

Varsity Basketball

Although having a poor streak of luck during the regular season, the basketball team bounced back and copped a second place in the Regional Tournament.

The Warriors had three very able underclassmen, Arnold Boich, Walt Durdle, and Charles Hauptly, in the starting lineup.

The season started with a 46-37 win over Mason City. Then two were dropped to strong Pekin and Spalding respectively. The Warrior five then copped two close ones from East Peoria (59-53) and Kewanee (56-53). Then the bad luck took over! Coach Correll's boys dropped seven consecutive games before they were able to get back into the Win Column! This win was at the expense of U. High of Normal in an overtime thriller (63-61). Of the last six games on the schedule the warriors won three to wind up the season with a won-lost record of 9-14.

The captain's chores were equally divided this season between Chuck Ensor and Don Hicks, two able senior standouts.

Varsity Track

The track squad this year was one of the best in the school's history. Under the capable leadership of coach Roy Gummerson, the team finished with an outstanding record. The cinder squad finished unbeaten in dual competition by large wins over Chillicothe, Washburn, Pekin, East Peoria, and Canton.

They also were strong in the bigger meets as they won the Illini Conference and the Greater Peoria meets and finished second behind Central in the District meet.

The teams depth was shown by the winning of the Kewanee relays on one night and the Normal relays on the next night.

Woodruff was again well represented at the state meet as Joel McNulty and Bob Poindexter; seniors, Don Martens; junior, and Bob Parrott; a sophomore, made the trip with coach Gummerson.

Joel McNulty, winner of the Elaine Gummerson Memorial Trophy, and co-captain of the track team, was probably the outstanding member of the team as he took second at the state meet in the high hurdles, followed by Jim Philbee of Manual. McNulty also showed his ability at track by setting new records in the high jump at 6' 3/4"; the high hurdles in :14.6 seconds; and the low hurdles in 24.0 seconds.

Jerry Kats, state high hurdle champion in 1948, received an injury midway in the season and was unable to regain top form throughout the remainder of the season.

Other new records were the pole vault at 10' 7" set by Dick Swift, and the 440 yard dash in :53.2 seconds set by Bob Parrott, a sophomore.

Outstanding individuals other than McNulty and Kats were: Leo Davis in the discus, shot put, and relay; Dick Swift in the pole vault; Don Martens and Bob Poindexter in the mile; and Bob Parrott in the high jump, relay, and 440 yard dash.

Varsity Baseball

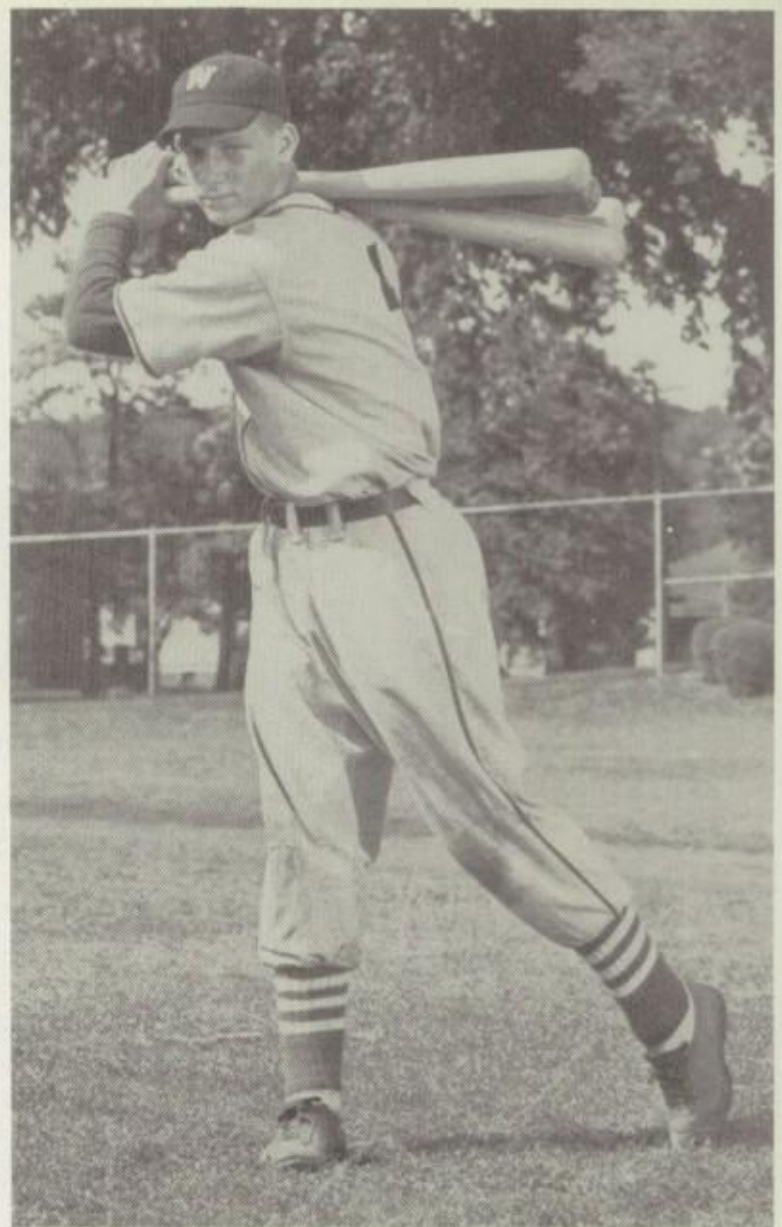

With Bill Schlesinger and Jack Monroe forming the battery, Don Hicks and George Storey supplying the hitting power, the Woodruff High School Baseball team finished the '49 season with a record of 12 wins and 10 losses.

Although there were only 3 Lettermen returning, Coach Correll dug into the underclass ranks and brought up a capable, although unexperienced crew of ball-players. Among these were sophomore hurlers Wes Young and Sanford Cantor, and Junior outfielders Don Hicks and Jim Huxtable. Coach Correll is expecting a successful season next year as only three senior Lettermen are leaving the starting lineup.

EDUCATION--YOUR OPEN SESAME TO LIFE'S TREASURES

Since man began to think, youth has always asked a wise question and the answer has always been the same-- We want to discover and open the door to a full and rich life, but where do we find the route; how can we avoid detours; where can we gain the know-how to go forth?

You are now on the right road. Acquiring knowledge through education is a basic key to your happiness; it is your best map and guide.

A livelihood must someday be made and your school's prime objective is preparing you for a job, a trade or profession; but Woodruff does not want to stop here and neither should you! Certainly you must learn to earn a living, but this treasury of information you are now collecting is also designed to teach you to apply reason to any situation (not just job situations), to give you the ability to get along with people of all sorts, to better appreciate such things as literature, art, and music, and to develop a good moral character. All subjects and extra-curricular activities on your schedule are as valuable as you make them. If approached with true curiosity and sincerity a broader world will be yours.

Your schooling is similar to a two layer cake. Grade school, with its emphasis on the indispensable fundamentals, is the first layer. Your wonderful high school makes up solid layer number two. If this cake is well made it will, as is, satisfy the nation's appetite for additional useful citizens. Icing is an asset to any cake as is college to any student. University training is not essential to your success, but it does make the job of becoming 'productive' somewhat easier.

Take advantage of each minute of your 16 year investment in education. Your earnest thinking and studying today is your 'open sesame' to happier living tomorrow.

The 600 Associates of PRINCESS PEGGY INCORPORATED, Peoria, Illinois, wish you every success.

The path to your success is here at Bradley University!

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, 'Bradley has the highest accredited rating that an institution can achieve in the United States.'

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 50 areas of study. Its free lecture-arts series is not equalled in any university in the United States. The University is accredited by all the major accrediting agencies.

BLOCK & KUHL
Company

and the door of each store is open to
you . . . the graduating class of 1950

Yes, Block & Kuhl has the welcome mat out for the youth of today . . . because we believe, as we always have, in the need for new blood, new ideas, new **people**. The retail business is built on people, not machines, and the need for ambitious, aggressive youth is endless. And it's a complex business, with a place for every type and talent . . . sellers, buyers, accountants, advertisers, artists . . . all are needed to create the great merchandising operation that brings the goods of the world to the retail consumer.

Just as B&K has grown and expanded from a small beginning, so to may the young man or woman who stands on the threshold of a new career grow and expand.

Block and Kuhl Company congratulates you . . . opens its doors wide . . . to heartily welcome bright futures of tomorrow . . . the Graduating Class of 1950!

There's light for your next step!

You may know well the next step you wish to take in your upward climb after graduation. You may have in mind exactly the profession you wish to follow, the occupations you will choose — and as an American, are free to choose.

Yet you may be uncertain which step to take. You may not know that teaching, machine tool operation, farming, stenographic or sales work is your field.

AND HOW ARE YOU TO TELL?

There are people who can help you — who can discuss various fields of endeavor, who will talk with you about your aptitudes and interests. By all means discuss this most important step after graduation with your teachers, your parents and those engaged in activities which interest you. You will find all of them eager to pass along their experiences and to give you guidance if you wish it. They can throw light on your next step — and help you make your years ahead better in every way.

Congratulations on the step you have already taken — this step in education you are just completing.

Congratulations Class of 1950

You who graduate this year are fortunate--fortunate because you live in an era when electricity has done so much to reduce the drudgery of mankind.

Low cost electricity has done much on the farm, in the home and in business and industry to release time that you can use in creative effort.

For all of you, the continuing development of the uses of electricity will make life easier and more enjoyable now and in the years to come.

THE DOORWAY

There are three primary objectives in the active experience of mankind--the home, the school or business and the bank. Each of these has a doorway leading to beneficial experience:

the home doorway offering comfort and happiness;

the doorway to the school or business house where the individual meets the realities of life and strives to achieve;

the entrance of his banking house through which one enters seeking counsel and cooperation that may bring his ambitions to successful realization.
